Rubber Cleaner ***Conditioner & Preservative***

KPC Rubber Cleaner and Conditioner is Formulated Specifically for Elastomer and Rubber Products. Protects, Preserves, Restores and Leaves Rubber Parts Looking Like New Without an Artificial Painted Appearance.

Cleans and Conditions all Rubber Molding of Aircraft, Automobiles, Trucks, Boats, Choppers and Other Show Vehicles. Use on Tires, Molding, Boots, Floor Mats and Rubber Trim to Keep These Items Flexible, Lasting and Looking New.

Ozone Protection and UV Inhibiting Agent is in the Formula to Protect Rubber Products From Aging and Sun Related Damage When Used Regularly. Does Not Change the Color of Rubber Materials. Will Not Harm Cloth, Rugs, Glass, Carpet, Aluminum, Chrome, Paint, Etc.

Easy to Use; Spray on, Wipe Liquid with Application Pad, Sponge, or Cloth to Clean. Wipe off Excess to Leave Rubber Surface With a Natural Appearance. For Semi-Gloss Finish, Apply Again With Even Spray and Let Dry in Place.

Application Pad available from KPC.
Part Number: K-600-SP2 (2 pack)
